Data from 5/15/09 through 5/31/10
Data as of 6/9/10

Terms in this report	Definition
Registry Forms or Registry Registrants:	Forms or registrants recorded in the Registry only, not all those received by the Registry office.
Not Registry Ready (NRR):	Forms received that are missing information to make them eligible for the Registry.
Not Registry Ready (NRR) - REQUIRED ELEMENTS ONLY:	Forms received that are missing any one or more of the REQUIRED data elements: First or Last Name, DOB, Signature, Date signed, Section A orders
Not Registry Ready (NRR) - Registry Unusable Only:	Forms received that are unable to be entered into the Registry but are still valid POLST orders. Includes copies that are illegible, copies that are too dark or too light, etc.
Total Forms:	Forms from both the Registry and those that are Not Registry Ready for any reason. Does not include duplicate form submissions.
Active Forms:	Forms in the Registry that are ready to be searched.
Archived Forms:	Forms in the Registry that are no longer valid. These have been removed from searches.
Pending Forms:	Valid forms in the Registry that are actively being entered, or those belonging to a Registrant who has submitted a new, not yet entered form.
Active Registrants:	Registrants with searchable, active forms who are not known to be deceased and have not opted out.
Archived Registrants:	Registrants known to be deceased or those who have opted out of the Registry. Forms from these registrants are not searchable.

*Forms received from 12/3/09-5/31/2010

^NRR form data is understated due to a backlog of forms that have not been logged into the NRR database.

**In late March-early April, the Registry experienced a volume increase resulting in a backlog of forms requiring more than 10 days to entry. This backlog was addressed and resolved in April.
